Background:

This interactive conference was held at the LEED Gold certified University of Hawai'i Cancer Center, and co-hosted by the *German American Chamber of Commerce* and the *UH Office of Sustainability*. The event was sponsored by the *German Ministry of Economic Affairs & Energy*, and offered participants the opportunity to learn from the latest German innovations in energy storage, renewables and efficiency, and featured a locally sourced lunch provided by *The Nook Neighborhood Bistro*, which strove to achieve zero waste through source reduction waste management and composting of food waste.
