

Background:

Artizen by MW has demonstrated a commitment to eco-friendliness since their preparation of the restaurant's opening in spring of last year and continues to support the environment by striving to embrace green options.

Green Initiatives:

- ✚ Using recyclable containers for food
- ✚ Separating recyclable cardboard from waste and stacking it into a cardboard recycling bin
- ✚ Separate bottles and cans for recycling
- ✚ Re-using paper for notes.
- ✚ Manage water efficiency when cooking and washing
- ✚ Turn off electricity when not in use and closed hours
- ✚ Train employees to manage recycling projects and be aware of methods to conserve resources
