

HAWAI'I LIBRARY ASSOCIATION

2018 Annual Conference • November 16-17

KILOKILO KA MAKA • UNDERSTANDING OUR PLACE(S)

The Hawai'i Library Association Annual Conference is the largest gathering of librarians, archivists, and information professionals in the Pacific region each year. Conference organizers strive to implement practices that contribute to the conservation of natural resources locally and globally.

The 2018 conference was held November 16-17 at the Hawaii Imin International Conference Center.

Green efforts included:

- Communications were distributed electronically, and the program was made available online rather than as a paper copy.
- Name badge holders were reused from previous conferences and at the end of the conference were collected again for future reuse.
- All food and beverages were served buffet-style alongside compostable service/tableware.
- Vegan and vegetarian food options were offered throughout the conference and leftover food was donated to Eco-Feed.
- Attendees were encouraged to bring reusable bottles and to utilize green transportation options.
