

KALAPAWAI MARKET

est. 1932
HAWAII

Background:

Kalapawai Café & Deli- Kailua has taken the last few years to green its facility. The majority of the take away items are compostable and paper products are from recycled content. Paula is extremely environmentally conscious and pushes to have her location reflect those ecofriendly views.

Kapolei is their newest location and they also aim to be sustainable in the same ways as their other locations.

Highlighted Green Initiatives

- ✚ Compostable to-go packaging and utensils.
- ✚ Local Artist's fair-trade products displayed for sale on site
