

HAWAII STATE DEPARTMENT of Health

HONOLULU, HAWAII

Background

What began as a childhood dream from being grandma's helper in the kitchen and spending time caring for and harvesting the family garden—eventually grew into Blondie's Vegan Kitchen Hawaii. 100% vegan menu, Blondie's Vegan Kitchen Hawaii is locally owned and operated by co-founders and co-owners, mother and daughter duo Paula and Cybil. Blondie's has been making vegan proteins since 1999 and proud to be serving O'ahu breakfast, lunch, deli and catering options.

Highlights:

- Purchase La Tour Ciabatta Bread, locally grown cilantro, Mari's Garden Greens.
- Base prep on previous sales as well as prepping as-needed instead of bulk.
- Green food waste is taken to Sweet Land Farm for compost.
- All to-go ware is biodegradable and compostable.
- Paper bags and paper towels are all 40%+ PCW.
- Clean with environmentally safe cleaners. Pest management is also non-toxic and naturally based.
- Source fair-trade wherever possible!
- All juice bottles are cleaned and recycled.
- LED Bulbs are used for all lighting. Also, they have a lot of natural light so when it's bright enough they turn the lights off.
- Use low flow aerators and turn off all water faucets when not actively using them.
