

HAWAII STATE DEPARTMENT OF HEALTH

Background:

Journey to Good Health Cafe shares the magic of healing foods. They are also their neighborhood's community hub and groovy live music spot.

Highlights

- Creative faux meats that are light on the planet's resources, including hibiscus and jackfruit.
- Select produce is grown by the owner.
- Bread from artisanal sourdough to garlic knots is baked from scratch on-site, eliminating the need for cold-storage shipping.
- All LED lighting.
- Compostable takeout containers.
