Board of Water Supply

HAWAII STATE
DEPARTMENT
OF HEALTH

Background:

Joseph Lee and Kaya Wester opened Mama Bear's Kitchen in July of 2021 after both losing their restaurant jobs during the pandemic. They wanted to bring some different options to the westside of Kaua'i, and share their love for food with the community.

Highlights:

- Leftover food waste goes to their pet pig Pickles
- They ask their customers to drop off unwanted paper bags for recycling
- They get their produce from a local farm nearby the truck
