FOUR SEASONS
RESORT
LĀNA'I

Background:

"Built in 1991 and managed by The Four Seasons since 2005, The Four Seasons Resort Lana'i is a five-star, five diamond resort on the southeastern coast of the pristine island of Lānaʻi. Four Seasons Resort Lana'i is committed to preserving and regenerating the environment and leaving a positive, enduring impact on the local community. The development of their Four Seasons For Good team refreshes their long term commitments and drives their future environmental and social initiatives."

Highlights:

ENVIRONMENTAL PROGRAMS

- Electric vehicle (EV) charging stations available for guest use
- Vegan and vegetarian menu items available
- Linens and towels replaced every third day, unless otherwise requested
- Reef Friendly Landscaping Program Gold Certified by the Maui Nui Marine Resource Council highlighting their strong commitment to protecting their marine ecosystem

ENERGY, CARBON AND WATER REDUCTION

- Energy-saving guest room controls
- Water conserving TOTO Washlets installed throughout the Resort
- All guest rooms have efficient water fixtures, including shower heads and faucets
- Waterless flush urinals installed across restrooms in public areas
- Water-efficient landscaping and golf course management

WASTE REDUCTION

- Elimination of single-use plastic bathroom amenities
- Guests receive complimentary insulated refillable bottles (two maximum per room) to use at FloWater drinking water refill stations located around their Resort
- Worn linens and towels converted into housekeeping cleaning cloths
- Soaps and toiletries recycled and donated to their partner Clean the World
- Used cooking oil collected by a local partner and converted into biofuel off-site to power construction equipment

SUSTAINABLE FOOD AND BEVERAGE

- Over 75% of food and beverage ingredients are sourced from local farmers, fisheries and purveyors
- Produce sourced from on-island Sensei Farms, which grows in indoor solar-powered hydroponic greenhouses
- Food waste reduction program in place
- Cage-free eggs

BIODIVERSITY AND CONSERVATION

- Waters off their coast have been declared a Marine Reserve to promote resilience in their reef
- Complimentary reef-friendly sun care products available for guests
- Resort participates in botanical preservation project to reintroduce 'āwīkīwīkī, a federally endangered perennial vine, to the Manele area
- Resort has Arboretum Accreditation by the Morton Register of Arboreta, recognizing professional standards and capabilities in a shared purpose to plant and conserve trees and advance goals specific to tree-focused public gardens

COMMUNITY

- Love Lanai Cultural Advisors and Cultural Practitioner and Historian offer programming including tours, demonstrations and cultural experiences where guests can explore Lanai's bio-cultural landscape and experience the island's unique spirit and historical legacy, spanning nearly 1,000 years of Hawaiian residency
- Lanai Observatory provides educational programming for local students and community members as well as internship opportunities for Hawaiian students
- Employees complete annual Human Trafficking Awareness training
