CENTRAL PACIFIC BANK HONORS EARTH DAY

Background:

In honor of Earth Day, Central Pacific Bank (CPB) invited the public to a free celebration April 22nd, 2024. The event raised awareness for environmental, social and governance matters, and showcased the CPB's Caring for our 'Aina and People report. The public was encouraged to learn from local nonprofit businesses and organizations that are working to make O'ahu a more sustainable island.

Highlights:

- Locally sourced food options are available aiding in the local economy and reducing shipping cost and emissions
- Environmentally friendly cleaning supplies used by all janitorial staff
- Sufficient / large enough recycling bins are clearly and conveniently placed adjacent to all trash cans and recycling is collected for paper, plastic, etc.
- Building is 100% LED and event site uses natural lighting
- Restrooms are equipped with low flow fixtures meeting current codes
- Facility encourages sustainable transportation providing multi-modal infrastructure for both staff and event attendees

Highlighted vendors and their roles at the event

- Mālama Maunaloa (educational/career opportunities)
- Papahānaumokuākea (educational opportunities)
- YOAS (educational/ local plant vendor)
- Momo Terrascapes (educational/ local plant vendor)
- Tidepools (CPB's co-working space)
- Aloha Bites (educational/ local food vendor)
- Hawai'i State Energy Office (educational opportunities)

To learn more about CPB's positive environmental and sustainability efforts please read CPB's 2023 report titled *Caring for our 'Aina and People* by clicking [here](#).

Charging infrastructure for electric vehicles and E-bikes

Mālama Maunaloa (educational/career opportunities)
