**HAWAII**  
Library Association

## Background:

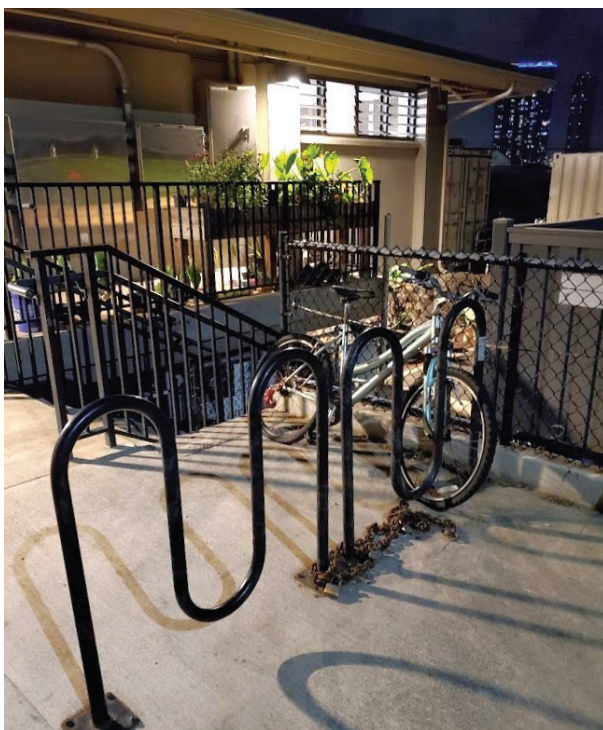

The mission of the **Hawai'i Library Association** is to promote library services and librarianship in Hawai'i in cooperation and affiliation with the American Library Association and other groups having allied objectives. Their annual conference is a time when librarians and information professionals from across the state gather to connect and further our profession.

## Highlights

- Encouraged conference participants to carpool, bike, or catch the bus to the venue.
- Sourced local foliage for table decorations versus buying new products.
- Selected a caterer that sources locally grown ingredients.
- Served food and drinks in large format, over individually wrapped items.
- Had recycling stations set up throughout the event to encourage participants to recycle paper, plastic, and cans.
